#### INSTRUCTIONS FOR RIGHT-OF-WAY PROPERTY STATEMENT

Verify or provide your name and mailing address on the front of the property statement. Also provide the name, title, telephone number, and fax number of the person to contact regarding this property statement.

The property statement must be executed (signed) in accordance with Rule 172, Title 18, California Code of Regulations and submitted to Assessor.

On the back of the property statement is a continuation sheet that is intended to be copied as needed. In lieu of filling out the continuation sheets manually, you may attach the information in another format, such as computer-prepared listings, provided that the attachments are in a format as specified by the Assessor. If the Assessor has provided a listing of segments, use the continuation sheet for reporting newly acquired segments, previously unreported segments, or segments not shown in detail listing.

Report all rights-of-way situated in this county that you owned, claimed, possessed, controlled, or managed on the tax lien date, except do not report rights-of-way assessed by the California State Board of Equalization or rights-of-way assessed with another property such as an oil lease. The property statement will be rejected if segment information is not provided as requested in these instructions or if the property statement is captioned "No Change," "Change Only Listing," "Same as Last Year," or similar wording.

List segments in file/parcel number and segment name order. List new segments separately for both manually- and computer-prepared listings. Provide maps for all rights-of-way acquired since the previous lien date.

Column E — Width. It is acceptable to report an average width for rights-of-way having similar characteristics. You may also provide your "best reasonable guess." If the width is unknown or undefined, report the width as "1" (foot).

Column E — Length. It is acceptable to report an average amount per length for rights-of-way having similar characteristics. It is not expected or required that you report the exact amount for each and every length. Please use prudent reasonable judgment in allocating accounting costs and property tax basis.

### **DECLARATION BY ASSESSEE**

The law requires that this property statement, regardless of where it is executed, shall be declared to be true under penalty of perjury under the laws of the State of California. The declaration must be signed by the assessee, a duly appointed fiduciary, or a person authorized to sign on behalf of the assessee. In the case of a corporation, the declaration must be signed by an officer or by an employee or agent who has been designated in writing by the board of directors, by name or by title, to sign the declaration on behalf of the corporation. In the case of a partnership, the declaration must be signed by a partner or an authorized employee or agent. In the case of a Limited Liability Company (LLC), the declaration must be signed by an LLC manager, or by a member where there is no manager, or by an employee or agent designated by the LLC manager or by the members to sign on behalf of the LLC.

When signed by an employee or agent, other than a member of the bar, a certified public accountant, a public accountant, an enrolled agent or a duly appointed fiduciary, the assessee's written authorization of the employee or agent to sign the declaration on behalf of the assessee must be filed with the Assessor. The Assessor may at any time require a person who signs a property statement and who is required to have written authorization to provide proof of authorization.

A property statement that is not signed and executed in accordance with the foregoing instructions is not validly filed. The penalty imposed by section 463 of the Revenue and Taxation Code for failure to file is applicable to unsigned property statements.
