☐ YES ☐ NO The property owner, primary contractor, civil or structural el	ngineer, or architect has certified to the
building department those portions of the project that are sei	smic retrofitting components, as defined
by Revenue and Taxation Code section 74.5(b)(2).	
Section 74.5 of the Revenue and Taxation Code excludes from assessment that portion construction and reconstruction of seismic components.	of an existing structure that consists of the
In order to receive the exclusion, this claim form must be filed with the assessor prior to, o	
All documents necessary to support the exclusion must be filed with the Assessor by the p	property owner not later than six months after
completion of the project.	
The property owner, primary contractor, civil or structural engineer, or architect shall cert of the project that are seismic retrofitting components, as defined by Revenue and Taxatio	
of the project, the building department shall report to the Assessor the costs of the portion	
components.	
For purposes of section 74.5	
(1) "Seismic retrofitting components" means seismic retrofitting improvements and improve	ements utilizing earthquake hazard mitigation
technologies.	
(2) "Seismic retrofitting improvements" means retrofitting or reconstruction of an existing	
from structural or nonstructural components of any building or structure including, but no hanging objects, and building cladding that pose serious danger. "Seismic retrofitting	
strengthening or providing the means necessary to resist seismic force levels that wo	
building or structure during an earthquake, so as to significantly reduce hazards to life and	
safe ingress and egress of building occupants during and immediately after an earthque	
not include alterations, such as new plumbing, electrical, or other added finishing mater	
performed on an existing structure. "Seismic retrofitting" includes, but is not limited to, 5 and 6 of the Uniform Code for Building Conservation of the International Conference	
(3) "Improvements utilizing earthquake hazard mitigation technologies" means improvement	
government as being hazardous to life in the event of an earthquake. These improve	ments shall involve strategies for earthquake
protection of structures. These improvements shall use technologies such as those re	
101) of Title 24 of the California Building Code and similar seismic provisions in the Uni	•
THIS EXCLUSION EXPIRES UPON CHANGE IN OWNERSHIP C	PETHE PROPERTY.
